Dear Laura:

Thanks so much for your ready asset to the "ghost" idea. I've written a rough draft which I am enclosing. Feel free to make corrections, suggestions, and what not. I'd like to get this back as quickly as possible as I have to turn the copy in by January 2nd.

I'm on a dead run trying to get things done so I can leave today for the holidays -- giving myself a few extra, which I need.

Thanks again and Merry Christmas to you.

Sincerely,

MADE IN U.S.A.
