Dear Laura Gilpin:

We are planning to extend our promotional program on Color Classics this fall. In order to do so, we must have masters made for the following transparency of yours which has appeared in ARIZONA HIGHWAYS.

We would appreciate your forwarding it to us as soon as possible and it will be returned to you within two or three weeks.

If you are unable to furnish this to us at this time, please let us know.

Should you need this transparency during the time it is in our possession, wire collect and we will forward it to you immediately.
