Dear Mrs. Abbot:-

I havent heard from Mr. Wilder for some little time, but I imagine that he must have called for the material. If he has returned it would you please send it all back to me? I am buckling down to the text and and I find I do need the dummy for reference. You have both sets of the small amount of text that I have worked on and I find I have no carbon of anything.

I dont know what is happening but I do know that I am going to finish that book, and also that no-one else will see it until it is finished. I have had a very nice letter from Mr. Holme and I am stillhoping that things will work out so he can do the book.

With best wishes, I am

Very sincerely
