Mr. John Adair,
Fort Defiance
Arizona.

Dear Mr. Adair:-

Johnny Collier was here yesterday and told me the distressing news that he is persona non grata on a story on the Many Farms clinic. That is just a darn shame. He suggested that I come over and do this story. I did not see him long enough to get all the details hence this note. First have you gotten anyone else to do it, and if not, may I take a try at it?

My best wishes,
