Mr. William Bridges,
El Paso Natural Gas Co.,
El Paso, Texas.

Dear Mr. Bridges:-

Enclosed please find the 8x10 glossy print of my picture RIO GRANDE IN FLOOD, page 142 of my book on the RIO as requested by telephone by Miss Sampson. I had hoped to get it in the mail yesterday but as I did not have a print on hand, it was necessary to make one.

There was no mention of reproduction fee on this over the phone. In the course of the years since the book was published I have sold such rights to various magazines at prices ranging from \$25. to \$50. As your use is for a house organ I bill you for the lower figure and trust that this will be satisfactory.

I shall be pleased to see a copy of the organ when it is released. Perhaps I have other material that you would be interested in or perhaps do any assignment you need.

Very truly yours,
