Office of the State Purchasing Agent,
P.O.Box 749,
Santa Fe, N.M.

Dear Sirs:-

Your request for a quotation for photographs of the 43rd Exhibition of N.M. etc. came several days ago. I was ill and could not answer until now.

The request for bid does not specify if the work is to be done at the Museum which would entail transportation of lights, equipment etc. or if it could be done in the studio. I assume the former. Nor does it state if these pictures are to be copied on 8x10 film from which contact prints will be made, or from smaller negatives and enlargements made. Definitely the best results would be from the large film and contact prints.

This bid, therefore, is assuming that the work is to be done at the Museum and with large film.

Item 1. 14 8x10 prints Open Ex.

Item 2. 14 8x10 prints Indian Ex.

Total of 28 prints

\$125.00

Very truly yours,
