Miss Judie Schwartz,
American Museum of Natural History,
New York, N.Y.

Dear Miss Schwartz:-

Thank you for returning the glossy prints used in the publicity for my show, and enclosures. Some weeks ago, I had a clipping from the Literary Clipping Service, and as I thought I had a credit still with them, I assumed that they were covering this for me. I shall write to-morrow to have them get in touch with you to see the coverage so that they can get me a set. I have the release used here in Santa Fe, also one from Los Angeles which some one sent me, but I would like to see the others if possible.

I have just sent Miss Beneker instructions about forwarding the prints on to Rochester. As it is working out, I will not be able to come east before spring. Still work to finishing up the book but I must stay on the job until it is done. When I do come, of course I shall come up to the Museum as I always do, and I shall hunt you out.

Thanking you for your interest, and hoping to see you before too long, I am

Very sincerely yours

A Happy New Year.
