Dear Elna:-

Your letter about the Navaho Indians came nearly ten days ago and this is the first minute I have had to answer. You are asking for a very large order to send you "all possible information on the Navaho"! And indeed it is very difficult to send you by even a long letter enough to do you much good. Really the best thing for me to do is to refer you to certain books that should be in your library.

- No. 1 THE NA AJO INDIANS by Dane & Mary Coolidge
Houghten-Mifflin & Co.
- No. 2 HERE COME THE NAVAHO. by Ruth Underhill
Dept. of Interior \$1.25 add. Branch
of Education.
- No. 3. THE NAVAJOS. by Ruth Underhill
University of Oklahoma Press. Just out.

I am sending you another little book which may be what you will want. Will you please return it to me when you have finished with it? I need it in my file for my own work, but I am glad to lend it to you for a few weeks.

As I do not have a secretary and have a great deal of work on hand, I am afraid this is the best I can do for you at present. You have chosen a very interesting but very difficult subject, but these are very fine people.

With best wishes I am

Very truly yours,
