Dear Mr. Shostal:-

Recently I have had an enquiry from THREE LIONS, INC. Pub. who are in the same building you are in. They are wanting picture stories on Indians. I cant seem to find anyone who knows anything about this firm, and I am wondering if you know them and can give me some information about what they are doing.

It was nice to see you again when I was in New York in October. I gather that you have not yet found a buyer for any of my transparencies. Perhaps I should recall the two or three Navaho subjects as there is the faint possibility that a lot of color may be used in my book. The most important one would be the sand painting.

I will greatly appreciate any information you can send me about THREE LIONS. I hesitate to undertake an expensive trip and lot of work without knowing more about whom I am working for.

Very truly yours,
