Dear Mrs. Tanner:-

Thank you for your enquiry regarding the copying of Indian Paintings. I shall be glad to do this for you. My prices are \$6. for copying and making the first print, \$2. on additional glossies.

It is possible that I might have already made copies of some paintings you wish, either in the Laboratory collection or that of Mrs. Charles Deitrich. In this case the charge would be \$2. per print.

Very truly yours,
