Dear Miss Gilpin:

Under separate cover I am returning the transparencies and all but four of the black and whites that you were kind enough to send along for our historical places book.

The four that we are holding for possible use in the book are:

- #13, Palace of Governors, Sante Fe
- #3, Ranchos de Taos Church
- #16, Laguna Mission
- #19, Pueblo Indian woman

This must seem a rather meagre choice from all the pictures you sent but we are forced to be much more selective than we would like to be, due to the fact that we can devote only two pages or so to each group of landmarks (missions, pueblos etc). Each picture is therefore rather general in nature and we are unable to show closeup details of the various buildings etc.

My apologies for holding these so long; as you see, we did not complete our selection by the end of October! I will be in touch with you again as soon as we have a layout for this section of the book. Thank you very much.

Sincerely yours,

  
Jean Leich
