Dear Laura:

Have good words about you from Jim Peck.

We have a request. Gerda Peterich finds herself pressed for time, and wonders if you would mind exchanging exhibit dates with her. Would it be possible to have the Navaho Indian exhibition here for showing January 18 to March 4? We need the exhibit about two weeks in advance to plan the hanging.

For publicity purposes, what ever date becomes final, I would like to have a brief biography including published books and the more important exhibitions, and if it seems important to you, some kind of setting down of what you are trying to do in photography.

Meanwhile best of wishes,

Cheerio,

Minor White/msw

publicity - if they are available.*
