Dear Miss Gilpin:

Thank you for your letter which I received a few days ago. At the moment I do not want to offer a definite commission; however, I would like very much to know about when you will be free to do "field work" and how quickly you could then supply us with the photographs.

If you could let me have some idea of when you will be free, I will then be able to decide what requests we may want to make. Our list may be somewhat expanded from the one which was sent to the University of New Mexico since we would be able to specify specific shots.

Thank you very much for your interest and cooperation.

Sincerely,

*Molly Allen*
