Dear Miss Gilpin:

Thank you very much for answering my questions so quickly. We would be interested in seeing your photographs for possible use in our third-grade textbook. However, let me caution you that we can contract nothing sight unseen so any photographs you might send would be on approval and we would be free to return them to you without purchasing them. (If this stipulation makes the whole project more trouble than it is worth, please let me know so that we will not wait for your photos.)

Your rates are acceptable to us, and I would like to take this opportunity to ask that you put us on your catalog mailing list so that we may have some idea of your specialties.

The photographs we need are as follows: all black and white clear glossy prints: horizontals

1. a Navaho reservation: ~~showing~~ the Indians and their homes as well as the terrain
2. Navaho women drying squash

In the event that you might happen on them, we are also in need of black and white glossy horizontals of a trailer community in the Southwest (not one which is too ultra modern—we just want a group of trailers all stopped at one spot in the desert) and a motel in the Southwest (here again, it must be obviously a motel.)

I am enclosing a permissions form which should be filled out if you do send us photographs. We give proper credit in the text and will return any material you request once the book is printed.

Thank you very much for your cooperation; it is greatly appreciated.

Very sincerely,

Molly Allen
