

NANCY NEWHALL 7 Rundel Park, Rochester 7, New York

July 3, 1957

Laura Gilpin
Box 1173
Santa Fe, New Mexico

Dear Miss Gilpin -

This is to acknowledge the safe arrival of your latest transparency and to thank you for providing this one in which Nancy was especially interested.

She departed last week for the Southwest and should currently be in Aspen, Colorado, consulting with her designer on final selections for the Berlin exhibition. I am sure she can let you know more definitely when she returns, in perhaps a week's time, about the return of your transparencies.

Sincerely,

Pat Chappell
