Dear Miss Gilpin: You possibly will
recall a Mrs Craig La Fonda
telephoning you in regard to your book
"Chicken 15¢". You expected ^{shipment} it during February
and promised to save me a copy. So
writing today to inquire whether the order
has arrived. Please advise and state
the amount of postage to add to the check
for the book which you quoted at five
dollars. Will appreciate any little reply.
Thank you. Sincerely Mrs Bradford Craig
