It has been a
terrible shock seeing
Anne's death in the London
Times yesterday. Her
letters have meant so
much to me all these
years, almost like talking
& I now know no one
hardly of those happy
childhood days we all
spent together in Colo.
Springs & Crystal Creek.
Anne sent me, her last
present, a coloured photo

of Jones of Anenomes which
is on the wall opposite me
now. I felt I want
to write to someone about
my dear Anne, as I feel
you too will miss her
with love from
Isabel Foster.
