Miss Frances L. Koltun,
CHARM MAGAZINE
575 Madison Ave.,
New York 22, N.Y.

Dear Miss Koltun:-

The color transparencies of the Girard house came back ten days ago, and I have been trying to get a letter off to you ever since. I was sorry that you were not able to use them. I suppose the lighting was too strong for reproduction, but they were much more like the room than if I had flooded it with a flat light. One of the beauties of that room is the light behind the wall coming through the windows and giving depth to the shelves. Mr. Girard certainly liked them.

As this was a definite commission, and I went up immediately that evening to make the transparencies, I am enclosing the minimum charge that I can make. I trust that this will be right with you.

I am looking forward to seeing the October issue of your magazine and the use of my Navaho picture.

With best wishes, I am

Very truly yours,
