Dear Nancy:-

This blank paper has been standing in my typewriter for three days! Hope you got the other transparency promptly.

It looks as though one possibly two more shows of the Navaho are in the making. Before I can set any schedule when will I get my transparencies back? And I havnt yet got the negatives back from Ansel. Will write. Have a call for a print of the Rio.

I hope to get off Navahowards by early July. Are you coming here and soon?

Best wishes and excuse haste,
