

June 25, 1957

Dear Laura:

Very many thanks for your interesting and informative letter and for answering mine so promptly.

Next week I expect to be off to New York again to work on the Denver Hotel, at which time will discuss the subject of "pictures for bedrooms."

I shall hope that some conclusion will be arrived at and shall look forward to getting in touch with you again on my return the end of July.

Hasta luego,

Sandro
