Dear Miss Gilpin;

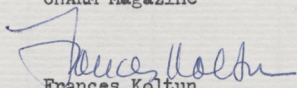

We are returning here the transparencies of the Girard house and the black and white photograph of the Navajo matriarchs which we used in our October issue.

Unfortunately, the dark tones of the wall in the transparencies did not suit the elements of the layout and we had to use one of the interior shots of the house which Mr. Girard had originally sent us. I would like to say again, though, how much we appreciated your helping us out so quickly.

By now, you may have received the art order which our Art Department sent you for the photograph which we used in our October feature.

I hope all goes well with you and that we shall have a chance to see each other again soon. 'Til then, warmest regards.

Sincerely,
CHARM Magazine
