Dear Miss Gilpin:

I hope that you will forgive the long delay in returning the four enclosed black and whites (#s 3,13,16 and 19) that we had been holding for possible use in our historical places book.

As you see, we liked them very much. Unfortunately however, our editor was forced to decide that they would not fit into the layout as it finally shaped up.

We appreciate your help very much.

Sincerely yours,

Jean Leich
