

THE METROPOLITAN MUSEUM OF ART
NEW YORK 28, N. Y.

June 25th, 1957

Dear Miss Gilpin;

I have always thought of you as the photographer of the Rio Grande. I should have remembered your beautiful photographs of my aunt and should have written you for loans to our show. I am exceedingly sorry, but the best things always seem to tumble in after a deadline. Please let me know if you come here for I would love to see you again.

Sincerely yours,

A. Hyatt Mayor
