Dear Miss Gilpin:

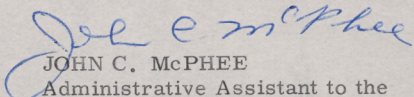

The Navajo Tribe is launching a program to procure for the archives at Window Rock the documentary motion pictures of Navajo life which have been made on the Reservation through past years.

Much of the traditional is disappearing from Navajo life. We are sure that you will agree that this is a worthy project.

It is our hope that you may be able to supply us with names and addresses of persons who have made such film records, in order that we may make direct contact with such persons.

Any suggestions you may make and your cooperation will be appreciated by the Navajo Tribe.

Sincerely yours,

JOHN C. MCPHEE

Chairman, Navajo Tribal Council
