Miss Laura Gilpin
Box 1173
SANTA FE, New Mexico.

Dear Laura:

We have just sent off most of your color - airmail, special and insured. The three that were in the Exhibition are being flown up to me here today so that I can check them, and I will forward those to you as soon as I receive them.

Now you can go right ahead showing these handsome things in Texas, Oklahoma, Kansas and Colorado!

As for Berlin, I enclose a local interview - sorry they cropped the sky of the Sheepherder. You and Eliot are the only two from Santa Fe in the Exhibition.

Delighted to hear that rain has fallen in New Mexico at last.

Love to you - in haste.

Nancy Newhall.
