Miss Laura Gilpin
Santa Fe, New Mexico

Dear Miss Gilpin:

I have been an admirer of your fine photographic work for a number of years and it has always been my hope that we could have an exhibition of your work here in the Art School Gallery at Oklahoma State University.

I spend my summers at Taos painting. This summer, while visiting the Laboratory of Anthropology, I was greatly impressed by your photographs of the life of the Navajoes. I wonder if you would consider letting me have an exhibition of your work to be shown in our gallery the month of December? If this is not convenient, we could set up a date later on in the spring. The selection of material would be entirely up to you, although I would like to see some of the photographs of the Navajoes group and, if possible, some photographs of the Rio Grande.

The exhibition can be as large as you like. The gallery will accommodate up to 100. It can be reduced to most any size that you would like. All the prints will be shown under glass and, as a printmaker myself, I can assure you that they will be given the best of care. We will pay transportation both ways.

Sincerely yours,

Doel Reed
