Dear Sir:

Thank you very much for sending us your remittance to renew your membership in George Eastman House Associates. We're delighted to have this expression of your continued interest in the organization and in our publication IMAGE.

Your privileges of membership will, of course, continue without interruption. We'll continue to send you copies of our monthly magazine IMAGE; your inquiries into any phase of photographic history will be welcomed by myself or any of our staff of experts; and the facilities of George Eastman House, including a considerable body of material not on public exhibit, are at your disposal.

Another of the prerogatives of membership, you will recall, is the privilege of proposing -- subject, of course, to favorable action by the directors -- other individuals whom you consider qualified for membership in George Eastman House Associates. Consequently, there is enclosed in addition to your new membership card, a recommendation form which you can use for this purpose.

You will note that below each space for the name of a recommended individual, there is a space headed, "Qualification for Membership." While your recommendation, as a member of the Association, is one clear evidence of qualification, it would be appreciated if you would indicate something of the individual's interest or field of activity in photography as a guide for the directors. As a general criterion, the directors have indicated that favorable action would be taken for those individuals "whose interest and activity in photography have been clearly demonstrated and whose participation would be considered to be to the credit of George Eastman House Associates."

Finally, may I express my personal gratitude for your support of George Eastman House Associates and, on behalf of the entire staff, the sincere wish that we can be of real assistance to you during the year ahead.

Sincerely yours,

O. N. Solbert
