Dear Miss Gilpin

Are sorry we have taken so long to decide on Mary Alice's proofs - it was hard to decide and then we waited for black & white, colored print.

Could you make me one color print for \$4 before we decide on ordering the colored prints?

I am mailing all the proofs to-day under separate covers. In the black envelope, are the proofs we are interested in, one is mailed for three pictures, or sec. The other group I have, but the family

Well it is too blurred, how do you
think this ^{proof} would turn out in the photo-
graphs? If you think it would turn
out well, I would like three of this
proof. If not rise of the one I have
mailed.

I plan to visit my sister Mrs. Con-
Helmes, in Santa Fe, from September 25th
to Oct 2nd and could talk to you then
if you thought it was necessary and
could pick up the photo graphs at that
time. I leave here Sept 14th for Santa Fe.

Many thanks and we are so happy
out the proofs -

Sincerely yours
Dorothy L. Thomson.
