Dear Laura:

Seems that our letters crossed in the mail. Somehow the idea of a slide talk with your exhibit never reached my ears. It would be a grand idea and I wish it were feasible. But if you are unable to visit Rochester, we are sorry and much the poorer for it.

The prints will be shipped to you in about two weeks. Again many thanks for the exhibit. One of my former students was in yesterday, and he spent the day looking at the museum. He is just back from photographing as a free-lance all over Europe ( 5 years of same). He was very impressed with the Navaho story, and was aksing whether it was destined for a book. Fortunately we could say yes.

Best from everybody,

Cheerio,

Minor White

*Hope you make a splash at  
AA's Workshop - I wish I  
could attend.*
