Dear Miss Gilpin:

My family and I enjoyed the short visit at your house the other day.
Again, thanks for your generous loan of your glass plates.

I talked with George Mills about your Navaho photographs and he would be greatly pleased to show them. May we suggest March and April, 1958 for your itinerary? At this time there are a few other available dates if our March-April suggestion doesn't work. If you could let us know in the next month or so about firm dates, we will be glad to work it out to best accommodate your schedule.

Sincerely,

A handwritten signature in dark ink, reading "Myron Wood". The signature is fluid and cursive, with the first name "Myron" and last name "Wood" clearly distinguishable.
