Dear Miss Gilpin:

We confirm the date, March-April 1958, for your exhibition of Navaho photographs. Thank you for giving us a prompt reply on this scheduling.

As for the talk, we are interested and wish to let you know a little later. You mention color slides. We presume these are an integral part of the talk. Would you please clarify this?

I hope you had a fine time at the Shiprock Fair. Such occasions make me wish I were farther south and freer. Good luck.

Sincerely,

Myron Wood, Assistant Curator
in Charge of Photography
