Dear Miss Gilpin:

This is in reply to your recent letter addressed to Mr. K.W. Williams, who incidentally retired from active work two years ago.

We are always in the market for outstanding pictures and sincerely regret that we cannot find a specific use for either of the two transparencies you sent us. We hope that from time to time you will send in additional material for our review and consideration. We are particularly interested in both Ektacolor and Kodacolor and note from your letter that you have started to use color negative material in your work.

Sincerely,

Manager
