Dear Miss Gilpin:

I have asked the Beacon Press to mail you a complimentary copy of the book BEGINNINGS : EARTH- SKY- LIFE- DEATH which I have co-authored with Dorothy T. Spooner. It comes to you as an expression of appreciation of your courtesy in allowing us to use the illustration on page 92 taken from your book TEMPLES IN YUCATAN. If for any reason the book fails to reach you, will you please inform me.

Sincerely yours,

*Sophia Lyon Fahs*

This letter was returned to me a long while ago. I hope the book itself fared better. I think I misdirected perhaps only the letter. and I am hoping the book was properly addressed.
