Chicago 5, Ill.

Dear Sirs:-

Enclosed herewith is one 5x7 negative from which will you please make me one large print forty inches the long way by proportionate width to trimmed proof contained with the negative. This is for one of the Museums here for a special exhibition of Indonesian Art. A warm toned (NOT REPIA) print would best suit the setting for this.

Please express this to me at my street address and bill to me.

Very truly yours,
