Dear Mr. Lowenherz:-

Your letter of Aug. 15 has just been received. I regret to inform you that I do not have the pictures you wish on hand. I could make them for you very soon as I do my own processing so there is no delay on that score. I seldom make color things just to have on hand as I seem to keep plenty busy on assignments. I am in the middle of two color jobs right now and could work these in though I cannot at the moment do any prediction on the weather! Our long delayed rainy season is letting loose now and we usually have a storm every afternoon.

Should you wish me to undertake these pictures, can you tell me what they are for? Knowing the ultimate use is a definite help. I hope that there will be time to do such an assignment for you.

Very truly yours,
