Mr. Alden F. Megrew,
University of Colorado
Boulder, Colorado.

Dear Mr. Megrew:-

It is very generous of you to assume that you owe me a letter, when it is I who owe you an apology for not having written long before this. A busy hectic summer has flown by.

I have two other showings of the slides in prospect but no definite date set as yet, so the best thing to do is to start with you and I can build from there. The only dates I have that are hard and fast is magazine job to do here in Santa Fe in early December. Any other time can be adjusted. So you set a date that best fits your schedule and I will come up.

My prints are here and I can send you any part of the exhibit you wish. I can either bring them or send them on ahead. If you will let me know how many you can hang, I will send them on to you.

Cordially yours,
