Mr. William E. Teel,
15 Brattle St.,
Cambridge, Mass.

Dear Mr. Teel:-

Enclosed please find the two prints you requested recently, 1, the Acoma church & Convento, and the Laguna Interior. But I am wondering if I have made you the right Laguna picture. If not please let me know and I will try to get the right one. The one enclosed is the one usually wanted by architects, so that is why I have made it.

Both of these pictures were used in my small book *THE PUEBLOS, A CAMERA CHRONICLE*, now out of print. They are copyrighted and I herewith grant you permission to use them for your U.P. series. I have many others both old and new from this part of the world, so if you wish anything more, I shall be glad to send any on approval.

Thanking you for your inquiry, I am

Very truly yours,
