Dear Mrs. Gilpin,

Thank you ever so much for your kind letter of Sept. 3. I am delighted to know that the negative of the picture I want to use is still available, and that you will make a print of it for me. I hope the enclosed tracing, made from Mr. Kelemen's print, will be sufficient for identification purposes. The size of 5x7" will be entirely satisfactory for my purpose. I (or rather, my publisher) will be glad to pay you \$10 for the print and the privilege of reproducing it. Please let me know in what form you would like your authorship and the copyright acknowledged in the caption. And would you also, for book-keeping's sake, send me an invoice for \$10 with the print.

Many thanks again for your friendly cooperation.

Very sincerely yours,

H. W. Janson
