Dear Miss Gilpin,

When I saw the newspaper picture of Chap and the Acoma potter and learned it was your work, I at once wrote Chap for your address which I didn't know at the time. I did this because I wanted to ask you to make me a print, but now Chap has sent me one himself and writes me that he has sent you my letter and that you have kindly agreed to send me a print yourself. But as I have Chap's, I don't wish to put you to that trouble, but I am greatly obliged. I have a gallery of pictures of my archeologist friends and I wanted this one of Chap to go into it. I have always greatly admired everything you have done with a camera both in the Southwest and Chichen.

With renewed thanks and kindest personal regards,

Very sincerely,

A.V. Kidder
