Dear Miss Gilpin:

Thank you for your letter of April 21. Mrs Schiller is not here this week so I have taken the liberty of answering the letter as we must have the print in question as soon as possible. I did not locate the pictures that we wish to use in our forthcoming book BEGINNINGS OF LIFE, DEATH, EARTH AND SKY and therefore am unable to specify the page number of the print we wish to use. As an alternative, I am enclosing our screened print in hopes that it will not be very difficult for you to locate the negative.

The fee of \$10.00 is quite satisfactory to us and will be paid upon publication unless you specify otherwise. This is our general practice for permission fees.

In answer to your question as to when the book will appear; we expect to publish it in the late fall of 1958.

Thank you for your efforts on our behalf. I shall look forward to receiving the print soon.

Sincerely yours,

Katharine H. McCagg
