Dear Miss Gilpin:

I recently heard from Mrs. Wolle that you were having photographic show in Colorado Springs. Unfortunately our exhibition space even for next year is pretty well filled up. However, I wonder if you might consider a small photographic show (we have about sixty running feet of wall space available on the second floor in the corridor of Norlin Library). I am wondering if you might consider having us put up a show of your photographs and at the same time have you come here and give a convocation lecture.

Unfortunately the University has very little money available for such lectures but I am sure I could obtain their maximum fee of \$75.00. Obviously we could not ask you to come all the way from Santa Fe for such a small fee. Perhaps we could make arrangements to have you come when you plan to be in the Springs or in Denver anyway.

I do hope I may have the pleasure of hearing from you and that we can arrange to have both you and your work here sometime during the fall term of 1958-1959.

Sincerely yours,

ALDEN F. MEGREW
