Dear Miss Gilpin:

First of all a brief "thank you" for the delightful talk which you gave last week. We should be returning your photographs to you by Monday or Tuesday, December 1 or 2.

Yesterday I talked with Mr. Robert Lee, an instructor in the English Department, and he was most anxious to find out if he could buy one of your photographs and how much it would cost. I wonder if you would let me know about this too.

Rue and I will certainly hope to find you in Santa Fe when we are there staying with the Konopaks over Easter. Again, with so many thanks and best regards.

Cordially yours,

ALDEN F. MEGREW
Head, Department of Fine Arts
