Dear Miss Gilpin:

Remember the guy who's been pestering you about photographing Christmas decorations in Santa Fe? I'm planning to turn up in Santa Fe Sunday, December 7, 8, and 9 and maybe longer.

I'll be jumping-up-and-down pleased if you've a long list of people to see and places to go. I have to go to Taos some time during the week but will be back the 12th for the Christmas Work Session about which Calla Hay told me. Please save December 8 and 9 free, if possible, as this type of decoration can easily be shot at the same time it is scouted.

Cordially,

A large, stylized handwritten signature in brown ink, likely belonging to Guy Neff, is written over the word "Cordially," and extends across the right side of the page.
