Dear Miss Gilpin:

We are preparing to publish a revised and expanded series of small prints on American architecture for student use.

Professor H. R. Hitchcock of Smith and Professor Hugh Morrison of Dartmouth, the editors, wish to include two subjects of which you have taken the best photographs:

Acoma, N.M., San Estevan, Mission Convento and Church, Exterior View.

Laguna, N.M., San Jose, Mission Church, View of Interior.

Could you forward a glossy photograph of these along with a bill for the cost? We wrote to you in June with this request but perhaps it did not reach you.

The photograph would be used only for a 5 $\frac{1}{2}$ x8 inch halftone print for student use and we would be glad to place a credit line for you on each print.

Sincerely yours,

UNIVERSITY PRINTS
