

FRANK WATERS
TAOS, NEW MEXICO

November 8, 1958

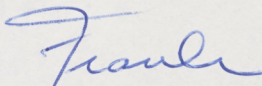

Dear Laura:

My Man Who Killed the Deer is coming out in a German edition next year, and I would very much like to send the translator the best photo of Taos Pueblo I can find. Naturally I thought of yours.

Will you get out the photos you have, and let me know when I can drive down there next week and select one? I can come any time, morning or afternoon, to suit your convenience.

I hope everything is going well with you. This mountain top is beginning to get cold at night, but we've had no snow yet.

Best,
