Dear Laura:

I enjoyed talking with you over the phone the other day. Thanks very much for calling.

The exhibition is a real pleasure for us to have in the Southwest Gallery. If time or chance does permit your coming up, we would be greatly pleased. The exhibition will be up through May. Again congratulations on a splendid bunch of photographs.

Kindest regards,

A handwritten signature in dark ink, appearing to read "Myron Wood". The script is fluid and cursive, with the first name "Myron" being more prominent than the last name "Wood".
