Santa Fe, New Mexico

Dear Miss Gilpin:

I was in Gallup, New Mexico, recently for the purpose of assisting Frank W. Long in closing out his office. Mr. Long resigned as of May 2, 1959.

While there I checked with him regarding our order to you for a color negative and color print of our true and false exhibit. Mr. Long advised that our order had not yet been filled, but that you had sent him two black and white prints for his inspection. These were turned over to Mr. Ike Merry, Secretary of the Indian Inter-tribal Ceremonial Association, and it was my understanding that Mr. Merry wished to keep these prints and would get in touch with you about them.

When the color negative and color print as ordered by us are ready, it would be appreciated if you would mail them direct to this office. As soon as we receive them, your bill will be put through for payment.

Sincerely yours,

J. Edw. Davis
General Manager
