Dear Miss Gilpin:

Your Navajo photographs have arrived, and they are wonderful-- perfect for what we want. I assume that you will send us the bill in a separate letter. I wish that we had called on you earlier for other Navajo photographs we needed. I know they would be superior to some that we are having to use.

We anticipate opening the show the ninth of December, and when we talked on the phone, you mentioned the possibility of coming to the coast. Does this date by any chance coincide with your trip west? We should like very much to have you for a program either then or whenever you can come, and if you could give me some idea of your fee, I can start budgeting for the program. We would need about three weeks' notice in order to do the proper job of publicity, etc.

Thanks again for the wonderful photographs and your prompt response to our request for help.

Sincerely yours,

Clark C. Everham, Managing Director
