Dear Miss Gilpin:

I have discovered that we overlooked four pictures necessary for the photographic chart on the Navajo man and woman's way for which you have already supplied some pictures.

We need close-ups -- one of a man and one of a woman in typical Navajo dress -- a close-up of a man's head, preferably side view, and a woman's head, side view, to show hair style.

All four of these pictures would be the same size -- same finish as the ones you previously supplied us. I hope that you can find some in your files that will fill our needs.

Thank you for your help.

Sincerely,

Clark C. Evernham, Managing Director
