

Mr. James H. Carmel,
1288 West Long Lake Road
Bloomfield Hills, Michigan

Dear Mr. Carmel:-

Your letter came day before yesterday evening, but I just haven't had a moment to answer it until now. I have talked to Mr. Clark, business manager at the Folk Art, and it is O.K. with him to have you see the pictures. He will have to get me the negatives as soon as he can. But-- the mobile unit has been completely redone as far as exhibit is concerned and will have to be rephotographed. It is just back from a trip around the state, but I can't get at it until next week. The Folk Art has no staff photographer and I do occasional work for them. They are very busy at the moment following the recent opening of the very superb exhibit of Spanish Colonial folk arts.

If this delay does not upset your schedule, I will plan a day for this work early next week. I am full up for the rest of this week.

Mr. Edwin Ferdon is the Associate Director of the Folk Art Museum, just for your information.

Thanking you for your enquiry, I am

Very truly yours,
